CWC-IDEA Award: CUMPC 2024

This award is sponsored by the COMP Women's Committee-Inclusion, Diversity, Equity, Accessibility (CWC-IDEA) subcommittee. The purpose of this award is to raise EDIA awareness in scientific research as related to medical physics. NSERC provides [guidelines](#) on how to integrate equity, diversity and inclusion considerations in research. The award consists of a certificate and cash prize.

Provide a description (maximum of 250 words) explaining how EDIA is, or could be, incorporated into your research project as part of research output and/or project management.
